

Do you shop at Smith's? Do you have a Smith's Rewards card? If so, you can link NMIS to your card. When you do, Smith's will donate a portion of your spending to the school. There is no cost to you. You just shop as you normally would, and Smith's will do the rest!

However, you need to **re-sign up each year.** So, if you did last year, you need to do so again.

To sign up, bring the attached letter with you to Smith's. When you check out, scan the barcode, and then scan the barcode on your Smith's Rewards card. That's it. Your card is then linked to NMIS. You're registered until next fall.

As of last week, there were only 19 Smith's Rewards cards linked to NMIS. We have 133 students. Please consider linking your card. It's very simple and potentially can be a good fundraiser for the school.
