8 April 2019

School-Wide Updates

Kinder - Fifth Grade Registration 2019-2020

This article is only for families coming back to NMIS next year in grades K-5:

The time is upon us! We will soon begin registration for the upcoming school year. **For students in K-5th grade for 2019-2020**, this year this process will be significantly different. Instead of paper/hard copy registration forms, you will register your child for NMIS via an online portal called **ParentVUE**. This will be a much more efficient process, but, like all new processes, there will be some hiccups as we launch it.

Registration for K-5 2019-2020 will begin on 24 April 2019 and end on 29 July 2019. It is imperative that you complete your registration during this period - including your immunization requirements. If, on the date registration closes, you are missing any component of your registration, you will forfeit your enrollment for your child.

To complete this registration, you will receive an email with an activation key code from **Albuquerque Public Schools** (this is the agency from whom we are purchasing this registration

New Mexico International School

A K-5 Dual Language Immersion International Baccalaureate World School
www.nmis.org / nmis.attendance@gmail.org

Page 1

software). **Do not delete this email.**

To assist in this new process, we will host **Registration Support Sessions**. We will have computers set-up and NMIS personnel on site to help navigate you through this. These Registration Support Sessions are **Wednesdays from 2pm - 5pm** on the following dates:

- 24 April 2019
- 1 May 2019
- 8 May 2019
- 15 May 2019

To attend one of these, **you must sign-up in advance at:**

<https://www.signupgenius.com/go/30E084BA5A82DA1FD0-nmis>

You must bring your **activation key code** that came in the email from APS. New students (meaning all incoming kinders plus any other new student) must also bring hard copy of **birth certificate** and **immunization record**.

Sixth Grade Registration for 2019-2020

We are so excited to have our inaugural sixth grade class next year! We are committed to a quality multilingual program where your child will continue his/her English, Spanish and Arabic skills. We will

also diversify our music program, broadening our stringed instruments for our 6th graders. And of course we will further develop our IB students with their learner profile and our IB “Approaches to Teaching” and “Approaches to Learning.” I’m glad you will be a part of this!

Incoming sixth grade families will **complete registration via a paper/hard copy registration packet**. This packet will be **sent via email by 15 April 2019 and will be due 10 May 2019**. Please be sure the packet is complete by the due date so we can plan our 6th grade accordingly!

Last Library Day

The NMIS library will close for the school year on Wednesday, **17 April 2019**. This will allow our volunteer library crew to inventory our collection.

It is imperative your child return or pay for any lost/missing library

New Mexico International School

A K-5 Dual Language Immersion International Baccalaureate World School
www.nmis.org / nmis.attendance@gmail.org

Page 2

books. Either purchase a replacement copy of the book or make payment of \$20 to the school office.

By Friday, 10 May, the library will run a list of children with outstanding books. If your child is on this list, he/she will not be permitted to participate in end-of year activities, such as: Spring violin concert, water day, graduation ceremonies, or any classroom parties.

Volunteer Labor for OUR BIG MOVE!

We are gathering lists of volunteers to help in our transition to our new campus. We need help in the following areas:

Move-Out Crew: This group of volunteers will go through our current campus after the moving company has moved out all our stuff. Their role will be to patch holes in walls and do a general clean up of the building so we can better anticipate a full refund of our security deposit from our current landlord. This work will be done between **26 June - 30 June**.

New Campus Prep Crew: This group of volunteers will do things in

our new campus that won't be done by our new landlord. The specifics of this are yet to be determined, but will likely include painting and basic handi(wo)man work, such as mounting heavy items to walls. This work will be done between **29 July - 2 August**.

Move-In Crew: This group of volunteers will be responsible for moving things into our classrooms. When the moving company moves our belongings into the new campus, they will mostly be placed in a staging area in the new gymnasium. This is because the classrooms at that point will likely not be ready for occupancy, and we will need a place to store our stuff until the rooms are ready. Once the rooms are ready, we will need assistance moving things from the staging area into the classrooms. This work will be done **12 August - 16 August**.

To sign up for any of these volunteer crews, contact our operations manager, Alicia Gutierrez, at nmis.operations@gmail.com. You can sign up for one, two or all three if you are able.

Fifth Grade Exhibition - Public Presentation

Come to the APS City Center complex on this Wednesday, 10

New Mexico International School

A K-5 Dual Language Immersion International Baccalaureate World School
www.nmis.org / nmis.attendance@gmail.org

April at 6:00pm to witness our fifth graders presenting their IB Exhibition Projects. This is their culminating project from their IB elementary education. At NMIS this year, all projects are tied to their Sharing the Planet theme: An inquiry into equal access to opportunities. Come be amazed! Remember some day your child too will do this amazing work!

GC Town Hall

This Friday, **12 April 2019 at 6:00 pm**, is our second and final GC Town Hall Meeting. Come have a presentation on how schools are funded and learn about our

proposed budget for 2019-2020. Town Halls are for you to come and share your input! Come join us!

No School on 19 April

Just a reminder that 19 April 2019 is a teacher work day, and there is no school for students.

This Week's Grade-by-Grade Update

Kindergarten

Maestra Cynthia Pedrotty nmis.pedrotty@gmail.com

Maestra Marina Cortés Nuñez nmis.cortesnunez@gmail.com

Maestra Martha Pacheco nmis.pacheco@gmail.com

This week students will continue to learn about the environment and about inventions made to help clean the air, ocean, waters and decrease deforestation using wind as an alternative energy source. They will make a collage of inventions that help the environment using wind energy. Students will continue to brainstorm new ideas/inventions they could create to help the environment.

Students will bring a picture or drawing of a current invention using wind energy as their energy source. We will make a class poster with the pictures students bring so make sure that your student participates in this activity by bringing their picture this week. Students will share how this invention uses wind as their source of energy and how it helps improve the environment so make sure to discuss this with your child before they bring their picture to class.

In Language Arts students will be reviewing letter /c/ and learn to identify what vowels (a,o,u) that make the strong sound of c (k sound) and which vowels (e and i) that make the soft sound of (s) doing

activities tied to these letters.

Students will continue to work on listening comprehension activities to prepare them for AVANT. Students will be taking the listening section of AVANT this week so have them practice for this using Razkids, listening and reading books in Spanish at their level.

In math, students will practice making and interpreting graphs doing a variety of activities even class based surveys where they will have to make a graphs with the answers they gather. For example one of the activities will consist of students identifying how many kids bring red, blue or yellow uniform shirts and will make a graph of their result and then interpret their results in a graph format.

In Science, students will learn about Wind Energy by doing a variety of hands-on activities from our science kits.

You can practice at home for the listening Spanish section next week using this link and the other links shown below:

<https://app.avantassessment.com/sample?username=samplelogin-sp&>

[password=samplesample&loginId=1000006195.](#)

Please make sure that the children hear the initial sounds everyday for at least fifteen minutes. Here is the link to listen to estrellita at home

Important Violin Links:

With the concert coming up next month, at-home practice is crucial more now than ever! I'm so happy to hear so many of you have violins at home. If you need me to put finger tapes on your child's violin, you can bring in the violin first thing in the morning M-Th and it will be done by the end of the school day.

Your child will be performing all of the Twinkle rhythms, including the theme. On ALL of the "Twinkle" YouTube videos, in the description, there is a link to a Google doc that has the notes for them to sing. I recommend continuing practicing bowholds and the "arm scrubs" video if you do not have a violin at home. Here is the link to the YouTube Kinder Playlist:

<https://www.youtube.com/playlist?list=PLo4ZXpJbitq-v4ezAPsr8ZCBxGiEutrm>

If you would like to **listen** or play along, go to the NMIS SoundCloud link:

<https://soundcloud.com/nmisviolin/sets/kinder-songs>

First Grade

Maestra Alisa Cooper de Uribe nmis.cooperdeuribe@gmail.com

Maestra Ana Karen Arvizu nmis.arvizu@gmail.com

This week, our class will prepare for our summative assessment in our Sharing the Planet Unit. Students will prepare and write a letter to Governor Martínez to share what they know about some of our state's natural resources and what they are used for, and then outline ways that they hope the state will care for those resources. Students will present these letters and their ideas to the rest of the class before sending the letters to Santa Fe.

Our Spanish vocabulary words this week will be *escribir*, *pedir*, *conservar*, *cuidar*, *ético*, and *naturaleza*. In English, we have graduated from our spelling words book! This week we will begin introducing new spelling words in the context of vocabulary and grammar skills.

We will enhance our thinking about sharing the planet with other living beings on our field trip to Popejoy Hall on Thursday, where we will see the play "Me...Jane—The Adventures of Young Jane Goodall."

In math, we will do some general review by exploring capacity, symmetry, and heights in more depth. We will then look more at fractional parts of the whole, compare fractions, and introduce the idea of equivalent fractions.

Violin Concert Practice Help!

With our concert coming up, at-home practice is crucial! Your child will be performing 3 songs: Camptown Races, Star Wars and Itsy Bitsy Spider. There are practice videos on YouTube for all of these songs AND in the description of the video, there's a link to the **music notes** to help your child sing or play along.

Camptown Races:

https://www.youtube.com/watch?v=CG4wnmAfeEg&list=PLo4ZXpJbitq_zsFsq4eX-xtdT1xraOxW3&index=15&t=0s

Star Wars:

https://www.youtube.com/watch?v=oeTlxIkGP-k&list=PLo4ZXpJbitq_zsFsq4eX-xtdT1xraOxW3&index=16&t=0s

Itsy Bitsy Spider (Violin):

https://www.youtube.com/watch?v=gjjsT8u8Uj0&list=PLo4ZXpJbitq_zsFsq4eX-xtdT1xraOxW3&index=18&t=0s

Second Grade

Maestra Julia DeLilla nmis.delilla@gmail.com

Maestra Bárbara López nmis.lopezb@gmail.com

In IB we will continue a unit on “Sharing the Planet”. Our second graders will be learning about planets, habitats, nature’s recyclers and how we can take care of our planet.

This week in Math, students will begin Unit 10. This unit focuses on working on area, perimeter and money. We will continue to work on multiplication facts.

In Social Studies, our students will learn about nature’s recyclers. Students will begin to work on a group project on how pollution and contamination affect our habitats.

In science we will learn about Pluto and Stars. Students will choose a planet to research and complete a Bloom Ball. During this unit students will also work on a project to research an animal of their choice.

The students will continue improving their spelling, penmanship, and writing skills through dictation. Different areas of the Earth are home to different animals. The animals and plants that live in each habitat are adapted to cope with the conditions around them. Many habitats have been destroyed by human activity.

Spelling Words for the Week:

1. order (orden)
2. other (otro)
3. over (por encima/arriba, terminado)
4. outside (afuera)
5. own (propio)
6. page (página)
7. pair (par)
8. paper (papel)
9. part (parte)
10. people (gente)

Students did a great job with AVANT testing!

May 4th will be our carnival. 2nd graders will be hosting a cake walk during the carnival. We need volunteers to help with the cake walk as well as 40 cakes, cookies or brownies to give out as prizes. Please let us know if you are able to volunteer or donate goodies.

We have 2 field trips before the end of the year. We need parent volunteers and parents who have not been able to attend will have first priority.

Parents remember to use RazKids at home. Students can read in both Spanish and in English with this program.

Violin Concert Practice Help!

With our concert coming up, at-home practice is crucial! Your child will be performing 3 songs: May Song, Long Long Ago and Allegro. There are practice videos on YouTube for all of these songs AND in the description of the video, there's a link to the **music notes** to help your child sing or play along.

May Song (Violin):

<https://www.youtube.com/watch?v=XBHij6skTBw&list=PLo4ZXpJbitq9l-Dmvh1An6m8kS3L8KoYv&index=14&t=0s>

May Song (Fingers):

<https://www.youtube.com/watch?v=K3ew6NEc1vQ&list=PLo4ZXpJbitq9l-Dmvh1An6m8kS3L8KoYv&index=13&t=0s>

Long, Long Ago (Fingers):

Violin Concert Practice Help!

With our concert coming up, at-home practice is crucial! Your child will be performing 3 songs: Angry Birds, Little Brown Jug and Cielito Lindo. There are practice videos on YouTube for all of these songs AND in the description of the video, there's a link to the **music notes** to help your child sing or play along. You can also play/sing along to the recordings and the link for those is:

Angry Birds:

https://www.youtube.com/watch?v=ej5JyIxhcQ&list=PLo4ZXpJbitq9y0nEMwuB4Dv3_rRb_fygs&index=14&t=14s

Little Brown Jug:

https://www.youtube.com/watch?v=f-WGXxRTAD4&list=PLo4ZXpJbitq9y0nEMwuB4Dv3_rRb_fygs&index=15&t=0s

Cielito Lindo:

https://www.youtube.com/watch?v=K2Pw1aFgBok&list=PLo4ZXpJbitq9y0nEMwuB4Dv3_rRb_fygs&index=16&t=0s

Fourth Grade

Maestra Jill Salley nmis.salley@gmail.com

Maestra Amanda Kraft nmis.kraft@gmail.com

As our investigation into “Sharing the Planet” continues to evolve, students are getting deeper into the “World Peace Game” this week. They will finalize what types of governments their countries have as well as whether they have a president, a dictator, or a queen, etc...as a leader. Based on the geography of their countries, groups will also have to identify their food sources, or lack thereof. Countries will face a food shortage. They will have to problem solve how to save their people from starvation. It looks like some may have to seek help from the UN! Additionally, in Spanish, students will orally defend their #1 pick out of the top four world problems they identified, to the rest of the class.

In science, students are exploring chemical reactions and the different states of matter.

In math, students are studying percentages. Students will be asked to develop a weekly meal plan based on a percentage of an imaginary weekly salary. They will also be taxed for foods they choose to buy that are high in sugar or salt, or that are considered luxury items.

Students will continue to read the BFG in Spanish and will be responsible for at least one literacy circle job.

The NMIS spring carnival is in the planning stages. We need parent volunteers! If you are willing to help in any way, please contact your teacher and she will put you in contact with other parents who are heading this up.

Violin Concert Practice Help!

With our concert coming up, at-home practice is crucial! Your child will be performing 3 songs: Long Long Ago Duet, Hey Jude and De Colores. There are practice videos on YouTube for all of these songs AND in the description of the video, there’s a link to the **music notes** to help your child sing or play along. Additionally, there are important tracks recorded for Hey Jude that can be really helpful for when your child wants to sing and play along all the way through the song without stopping (and for our ukulele and guitar players!) You can find all of the listening tracks here: <https://soundcloud.com/nmisviolin/sets/fourth-grade-songs>

Long, Long Ago Duet:

Fifth Grade

Maestra Jessica Castro-Buelna nmis.castrobuelna@gmail.com

Exhibitions – Our exhibition is finally here!!! The students have worked so hard on their exhibition research, poster boards and their presentations. Parents, teachers, and administration will be there to view all the exhibition work. The final

culminating Exhibition will be presented to the public this coming Wednesday, 10 April from 6:00pm to 8:00pm and

will be held at APS from at the address below. **Students NEED to arrive by 5:00pm no later than 5:30pm** to set up their boards and presentations.

The students are required to wear formal attire such as;

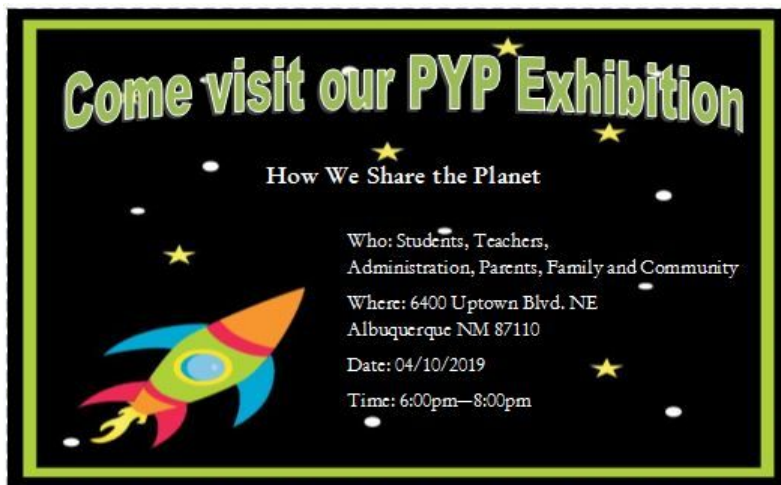

Boys – slacks, button up shirt or plain collared polo. Students have asked me if they can wear a tie with their button up shirts and I have

agreed. Girls – dresses, slacks, skirts, with a blouse. **NO JEANS.**

Also, I need volunteers to bring in veggie, cheese, meat, and fruit

platters and waters for the students to snack on. Also, we will need volunteers to help with the clean up once the Exhibition is over. Attached is the signup doc.

Parents

Don't forget - 5th grade graduation is around the corner and we need help coordinating the day. Please contact your 5th Grade SAC representative, Nancy Abeyta, for more information.

nancy.abeyta@yahoo.com

Quick note: The Spring Carnival will be held Saturday, May 4th from 2-5. This year the theme is Star Wars. For our fifth-grade class we will need to have a booth. Please let me know if you are interested in helping us out, or if you have a gift basket or service you would like to donate to our silent auction.

Registration for 6th grade at NMIS:

Please remember to check on the article on **page 2** of this newsletter about how to register for 6th grade at NMIS. Registration is open from 15 April 2019 to 10 May 2019.

Violin Concert Practice Help!

With our concert coming up, at-home practice is crucial! Your

child will be performing 3 songs: Happy Farmer, G Major Blues and the Star Spangled Banner. There are practice videos on YouTube for all of these songs AND in the description of the video, there's a link to the **music notes** to help your child sing or play along. Additionally, there are important tracks recorded for the G Major Blues that can be really helpful for when your child wants to sing and play along all the way through the song without stopping OR if they want to improvise using the chord stacks on their music sheet! You can find all of the listening tracks here:

New Mexico International School (NMIS) is an International Baccalaureate **World School** offering the **Primary Years Programme (PYP)**. We share a common philosophy with other World Schools across the globe – a commitment to high quality, challenging, international education that New

Mexico International School believes is important for our students. Only schools authorized by the IB Organization can offer any of its three academic programmes: The Primary Years' Programme (PYP), the Middle Years' Programme (MYP), or the Diploma Programme (in addition to the IB Career-related certificate). In addition, NMIS is an **Dual Language Immersion school**. We immerse our students into a Spanish language environment beginning in kindergarten with the goal of making our students biliterate in Spanish and English by grade 5.
